Read what Richard says about a mall in England. What does he like?

We've got a big mall in Manchester. I like going there with my family. It has lots of good shops. I like the sports shops and the ones that sell video games. There are loads of clothes shops. My father likes the electronics shops. He likes buying things for his computer.

There isn't a supermarket, so we can't go food shopping there. I like going up and down in the lift because you can see everything.

There are plants and trees everywhere. And there's a big car park next to the mall. It has three floors. Sometimes my father can't find his car when we finish shopping. He gets very angry!

- 2 What is the name of the new book Kareem wants to buy?
- 3 What does 'saving up' mean in paragraph 1?
- 4 What do you think the collection of poems *Islands of Salt* is about?

Kareem walked quickly past the department store and hurried towards the bookshop. As he got closer he saw there was a long queue forming outside the door to the shop and his heart sank. He had been saving up for months and wanted to be the first one to buy the new book by his favourite poet – now he would have to wait in line. As he stood waiting, the hard-working schoolboy pulled the advert for the new book out of his pocket.

Kareem had read all of Al-Nawab's poems at least twice and found them very interesting. The quiet boy spent most of his free time reading or writing his own poems and his parents, friends and teachers all said he was very imaginative. It was Kareem's dream to be a famous poet himself one day.

was happening. After a while the shop owner saw Kareem's confusion and explained, 'You are the 50th customer through the door today, young man. There is a big prize for customer number 50 ... you will get to meet Al-Nawab. Are you any good at writing poems?'

'Yes! I've got notebooks full of poems,' replied Kareem. He felt a surge of happiness as he understood what was happening. His patience was being rewarded. It was a good thing after all that he wasn't first to buy the latest book.

**D** Read about Hassan and answer the questions.

Hassan wanted to buy a new car, but he didn't know what to get. He was sitting in a cafe in the mall drinking a coffee. He was at the mall because he needed some new clothes. But he wasn't thinking about clothes. He was thinking about a car.

He saw a newspaper on a seat next to him. It was open at page 10. There were some articles about cars. He picked it up and started reading. He didn't begin at the beginning, he started in the middle.

The Tiger 5X also has very good suspension to help the driver keep on the road. It is also good in the desert. The passengers won't bounce up and down in the back seats! There's lots of space for bags, so this car is good for people who like

camping. It's also good for people who want to carry lots of sports equipment but don't want to have a big 4WD car.

'Oh! That's good,' he thought. 'I like camping in the desert. And I don't want my children bouncing up and down in the back.'

The Tiger 5X is a great new car. It has many things that drivers like. There are also things to keep the other people in the car happy – and happy passengers help keep the driver happy! First of all it looks good. That's very important.

'Ah!' thought Hassan. 'This is good for me and good for my family. I think I will go and look at the Tiger 5X.'
